Tell us how you feel you're a good fit for the Market:

Will you require electricity at your stall? If so, what type of equipment? The Market Manager or Landlord

must approve all power equipment; some equipment may require a nominal fee to cover cost.

Consistent attendance is important to us. Approximately how many absences do you foresee having this season? At this point, can you give dates for any absences?

What size stall do you prefer? There is no guarantee which size will be available.

- Half space
- Full space

One full stall space is 11' (frontage as measured from center of column to center of column) x 7' (depth as measured from front of column forward to circulation corridor). Vendors are not to encroach beyond their designated space.

Acceptance into the Market is determined by vote of the membership and by the number of spaces available for the coming season. If not offered a probationary space, would you be willing to fill in when a regular vendor is unable to attend Market for a week or more?

- Yes
- No

All new applicants will be invited to meet our regular vendors during our Annual Meeting in September to talk about your product(s). If you choose NOT to attend you will not be considered for a space in our Market. If you do attend please bring a copy of all Maine State required licenses and proof of insurance, as this paperwork is required before vending at our Market.

*All rental fees must be paid by check made out to Waterfront Maine.

*All rental fees are paid in either one or two payments, or by the month (\$2 extra per month when paying monthly), on the first Saturday of the month.

*Upon acceptance into the Brunswick Winter Market, please submit proof of insurance - Waterfront Maine as certificate holder- and any state-required licenses required to Steve Howe, manager of Cumberland Self Storage: showe@waterfrontme.com, phone: (207) 725-6434, fax (207) 729-1042

*Market hours are Saturdays from 9 am to 12:30 pm.

I have read and understand the Market By-Laws, Rules, and Guidelines.
